SERVICE PHASES:

PHASE 1: ROUGH

This phase prepares a clean space free of construction dust + materials for a final contractor walk-through. Stickers + film are removed from appliances, construction dust is wiped and removed from all surfaces and floors are thoroughly cleaned. Excess paint + caulk are scraped and windows are thoroughly cleaned.

PHASE 2: DETAIL

This phase prepares the home for realtor home tours and open house events. Surfaces and trim work are thoroughly cleaned along side of a full deep cleaning service. This cleaning provides a crisp + clean home, ready for viewing and foot traffic.

PHASE 3: FINAL

This final phase provides a detailed and thorough deep clean + sanitization for move-in day.
